Subject: Reg Reform Officer and Task Force - Approval Needed

Ryan,

Per our discussion over the past few days, the Executive Order on *Enforcing the Regulatory Reform Agenda* requires EPA to implement and enforce regulatory reform and alleviate unnecessary regulatory burdens.

As part of this Executive Order, EPA needs to designate an agency official as its Regulatory Reform Officer. In past administrations, this person has typically been the OP director. We will also need to establish a “Regulatory Reform Task Force.” Below are my suggestions for what we should send over to OMB, notifying them of these designations. Nothing else is required. On your green light, we will email OMB with the following.

Regulatory Reform Officer: Samantha Dravis

Regulatory Reform Task Force (subject to changes after new political appointees join):

- [REDACTED] Byron Brown
- [REDACTED] Brittany Bolen
- [REDACTED] Samantha Dravis
- [REDACTED] Ryan Jackson (Chairman) (you could change this if you like)

Thank you, Ryan.

Subject: electronic copies of materials from today's regulatory Executive Orders meeting

Samantha,

Please find attached the documents from today's meeting on the regulatory Executive Orders and the Presidential Memorandum.

In answer to your question about who to notify when the Regulatory Reform Officer has been designated, the Executive Order does not require that we notify anyone. However, based on prior experience, we would suggest that we notify two senior career staff at OMB (Dominic Mancini and Jim Laity) so they are aware of who was selected. We can take care of that once the selection has been made.

We would also suggest informing key political and career staff within EPA about the members

of the Regulatory Reform Task Force.

Let me know if you need anything else, or have additional questions. Thank you.
